

WINTER 2021 NEWSLETTER

Christmas Illuminations

Work was commissioned in August 2021 with DMBC for a new electricity box and tree on the junction of Doncaster Road/Whiphill Top Lane and a further electricity box at the Old Cantley roundabout to illuminate two existing trees. At the time of writing, the new tree had been planted and the Parish Council are hopeful the electrical work will be completed by 29th November in time for the illuminations to be installed and switched on, ready for the festive season. These will make a lovely addition to the Parish and plans are in place for additional trees to be sited elsewhere within the Parish in the forthcoming years.

Use of Kilham Hall Car Park

It has been agreed that the car park will remain open for park users, however when the hall is in use, the car park will be for the hirers use and their guests only. New signage has now been installed to make this clear so car park users are aware of whether they can make use of the car park. The car park will open from 9am until 4pm each day, 7 days per week until March 2022, then extended to 6pm for the light evenings.

Remembrance Sunday

The Parish Council made a donation to the Royal British Legion and purchased a wreath for Branton St Wilfrid's School for their Remembrance service. The wreath was then placed at St Wilfrid's Church, Cantley. A further wreath was donated and placed by our Remembrance bench at Kilham Park.

Keeping the Parish of Cantley with Branton Tidy

The litter pick took place on Saturday 13th November 2021. 21 volunteers turned up and helped to litter pick in Branton, Old Cantley and the Manor Farm estate. Over 50 bags were collected in total, thank you to everyone who volunteered their time. The Parish Council have applied for a grant to enable it to purchase its own litter picking equipment for future picks. The next litter pick will be in February so look out for the date if you want to get involved.

Police 'Drop-in'

The Police Drop-in for September saw a few members of the public in attendance. Issues raised were regarding speed awareness on Whiphill Top Lane, anti-social behaviour on Kilham Park/Field and smoking of illegal substances around Valley Drive. PCSO's have been on Whiphill Top Lane recently with speed guns. Local residents can receive training on the use of speed guns to enable more frequent speed checks to be carried out. If anyone is interested please email the Clerk to the Parish Council (cwbpc@outlook.com) with details so they can be forwarded. A drop in took place on 24th November 2021 at Kilham Hall, we will update you in the next newsletter as well as our facebook page on any outcomes. The dates for the next police 'Drop In' session are 19th January at 1.30pm, 30th March at 6.30pm and 25th May 2022 at 1.30pm at Kilham Hall Meeting Room.
